

**REMARKS:**

In accordance with the foregoing, the Specification has been amended in response to the Notice of Drawing Inconsistency with Specification. Specifically, text referring to Figures 14D and 16D has been removed from the Brief Description of the Drawings section of the Specification.

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
